SUMMARY

Computer Science and Engineering graduate with hands-on experience in software development, mobile application development, networking, system administration, and technical support. Developed 10+ academic and personal projects using Flutter, Firebase, Python, Java, Linux, and Cisco networking technologies. Skilled in problem-solving, software design, database management, and troubleshooting technical systems. Strong leadership and communication abilities demonstrated through event management and volunteer activities. Seeking opportunities as a Software Engineer, IT Support Engineer, or Developer to contribute technical expertise while continuously learning and growing in the IT industry.

EXPERIENCE

Music Teacher – Government Project, Ministry of Women and Children Affairs, Bangladesh *2020 – Present*

- Provided music education and vocal training to students.
- Prepared students for solo and group musical performances.
- Welcomed multiple visits by the Ministry's Secretary to the music clubs to meet students and review their progress.

SKILLS

Programming Languages: Python, C, Java, Dart
Software Development: Object-Oriented Programming (OOP), Data Structures & Algorithms, Software Design Principles, Problem Solving & Debugging
Mobile Application Development: Flutter, Firebase Authentication, Cloud Firestore, REST API Integration
Web Development: HTML5, CSS3, PHP, JavaScript (Basic)
Database Management: MySQL, Firebase Firestore
Networking: Cisco Packet Tracer, VLAN, OSPF, EIGRP, DHCP, DNS, RIP, Static Routing
System Administration & IT Support: Linux (Ubuntu), Windows Administration, Samba Server Configuration, Software Installation & Configuration, User Account Management, Technical Troubleshooting, Hardware & Peripheral Support
Microsoft 365 & Productivity Tools: Microsoft Word, Microsoft Excel, Microsoft PowerPoint, Microsoft Outlook, Microsoft Teams, OneDrive, Data Analysis & Reporting

EDUCATION

Daffodil International University – Bachelor of Science (B.Sc.) in Computer Science & Engineering – [Ashulia, Dhaka]
2022 – 2026
CGPA: 3.64 / 4.00

Savar Govt. College – Higher Secondary Certificate (HSC), Science – [Savar, Dhaka]
2021
GPA: 5.00 / 5.00

vasha shaheed abdul jabbar ansar vdp school and college – Secondary School Certificate (SSC), Science – [Gazipur,Dhaka]

2019
GPA: 4.67 / 5.00

PROJECTS

Blood Donor BD
Flutter | Firebase | Firestore

- Developed a blood donation platform connecting donors and patients.
- Implemented secure authentication and real-time database functionality.
- Built a responsive and user-friendly mobile interface.

Chess Game AI
Python | Stockfish Engine

- Developed an AI-powered chess application with multiple gameplay modes.
- Integrated Stockfish engine for intelligent move generation.

Multi-Site Corporate Network
Cisco Packet Tracer

- Designed and implemented a multi-site enterprise network infrastructure.
- Configured VLANs, DHCP, DNS, OSPF, EIGRP, RIP, and Static Routing.
- Simulated secure communication between organizational branches.

Additional Project Experience

- Completed 10+ academic and personal projects covering: Software Engineering, Mobile Application Development, Machine Learning, Computer Graphics, Networking, Compiler Design, Database Systems, Linux System Administration, Web Development, IT Infrastructure.
